

NEW ENGLAND GIANT PUMPKIN GROWERS LIVE AUCTION

FEBRUARY 10, 2024 AT 8 PM EST

Thank You for bidding at the New England Giant Pumpkin Growers auction. We want to recognize Ken at bigpumpkins.com and all the generous growers worldwide who contributed their seeds to make this auction possible.

All bidders must be pre-registered at bigpumpkins.com.

Minimum opening bid of \$20 on each lot. To be recognized by the auctioneer, all bids need to be a minimum of \$5 US higher than the previous high bid and must result in a new high bid. When you bid, you are bidding on 1 set of seeds. The high bidder of a lot containing 1 set of seeds will purchase that set at the winning bid price. If a lot contains 2 sets, the high bidder of the lot has the option of purchasing 1 set or both sets, each set at the winning bid price. Should the high bidder of the lot purchase only 1 set, the second set will be purchased by the second highest bidder of the lot at their highest bid price. **Remember your bid is your contract to purchase.**

Please send a confirmation email to tmkeen@gmail.com with your bigpumpkins name, real name, email address, mailing address, lot number(s) won, winning bid price(s) and your preferred method of payment.

Shipping in the US is free. All shipments to Canada add \$10 US per shipment (any number of lots). Winning bidders are responsible for actual shipping cost outside US and Canada.

Payments go to Woody Lancaster. Our preferred method of payment is **paypal friends and family** at wlancaster25@comcast.net. Checks and money orders to Woody Lancaster, 22 Summer St. Topsfield, MA 01983. Please include your bigpumpkins name, real name, email address, mailing address, lot number(s) and winning bid price(s) in the paypal comments section.

All seeds in our auction come from the growers either directly or through their clubs. We re-package seeds we receive that are not in individual packages. All sales are final. All seeds offered appear sound and are offered only as such. We do not guarantee that seeds will germinate.

Live bidding. No Proxy bids.

2023 Stelts seeds

2023 was another good year for us with 5 more over 2K including a new PB. Overall great shapes and color with 4 pumpkins exceeding our highest OTT total to date not to mention great seed counts across the board. Just to give some insight & thoughts on our seeds from 2023:

2376 = F – 2342 Stelts #3 X M – 1912 Stelts #8 = What a beast 9% heavy and a perfect 6'+ diameter male grew 2004 most definitely a seed we will be planting.

2227 = F – 2243 Stelts X M – 2164 Stelts = biggest OTT to date no doubt WR potential & color

2143 = F 2365 Wolf X M 2069 Stelts = best color cross of year big heavy & pretty will be planted

2109 = F 1912 Stelts #6 X M 2243 Stelts = great cross another big orange producer

2004 = F 1912 Stelts #8 X M 2164 Stelts = 2164 was on pace to be another 2K+ big cross

1853 = F 2069 Stelts X M 1912 Stelts #6 = HD winner might be most perfect pumpkin we have grown
